

Teams on Mission

A WEB UPDATE PUBLICATION OF MISSION TEAM INC

JUNE 2007

Work in the Orphanage Rewarding and Just Fun

The team from Burnt Hickory Baptist which went to Nicaragua had a tremendously successful week. The team worked in two orphanages caring for children and doing a variety of small construction projects that were of a great benefit for the children. The pictures include children loved on, an office constructed, a pigpen built, footings dug, and Buddy the dog who Scotty had to put seven stitches in to sew up a wound and then install a cone on his head so he would not pull them out. What a trip!

Medical Team from BSU of University of Georgia and Georgia State University Look to MTI for Help

Scotty had not even gotten off the plane from the trip with BHBC to Managua when voice mail revealed a great need for help with the logistics and coordination of a medical team going to Santa Marta June 23-30. This team from the Baptist Student Union is headed up by Karen Shumaker, one of the UGA campus ministers. The group consists of total of fourteen students and will be doing medical clinic for four days. Mission Team Inc has already helped greatly by calling on volunteers Lexanne Fricks and Fonda Brookshire to purchase the food for the team and package and make it ready for travel this weekend. Revival services are being held in Santa Marta June 22-24 preparing for the medical team's arrival in the area with the hope of not only physical healing but much needed spiritual help to many in this area.

Santa Marta is a beautiful little village on the main road between Puerto Cabaza and Wasparam.

Steve Walls Volunteers to Coordinate Work at Mount Hope

June 23 will be the start of the work to complete the basement in the Mount Hope Community Church located in Jasper, Georgia. Steve is serving as a coordinator for the project and with a crew from Burnt Hickory and some help from Hickory Heights hopefully the walls will be framed on June 23. The electrical work and hanging sheet rock will likely take place the first couple of weeks in July. How beautiful it is to see people give of their time and talents on local projects as well as those overseas.

Here is the "before shot" of the basement. If the Lord will bless the work, framing and sheet rock will be going up in a few days.

A Mission Trip Made to Order

August 23-30 Mission Team Inc will be taking part in a groundbreaking new mission opportunity. Scotty will be part of a team teaching in the Chinadega province of Nicaragua. The group being taught is what is so unique. There will be approximately 350 police officers who will be attending the training on morality, ethics and how to be a police officer and be a person of faith. Steve Lee with Peace Officer Ministries will be putting together a teaching team to help mold the Latin American Department toward a new and dynamic way of operation. Steve is the author *Back up on the Beat*, a very powerful book designed for devotional studies for police officers. Steve has also edited a special edition of the Bible with a 76 page introduction for law enforcement officers. MOST Missions is the sponsoring agency, and Scotty will have a great opportunity to get in on the ground floor for hopefully the first of this type of mission trip.

For more information, go to www.peaceofficerministries.com.

"Serving Those

Who Protect and Serve Us"

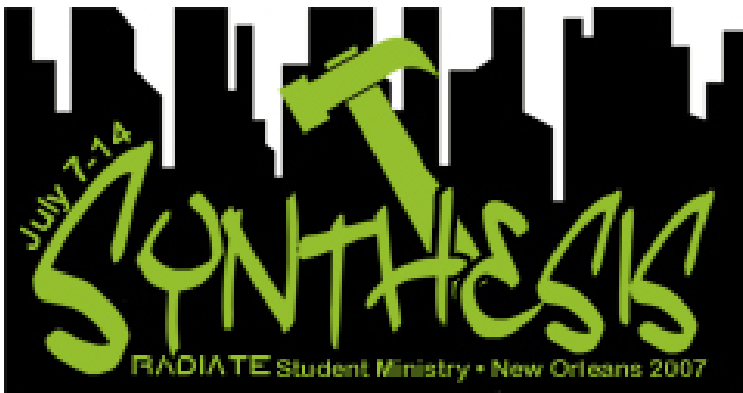

Titus Family Has Returned to the USA

Dan and Amanda Titus, who have been serving in the mining area of Nicaragua and are Mission Team Inc partners, have returned after fulfilling a two year commitment of service in Rosita. The Titus children will be back in school in the USA this fall and Amanda will be returning to employment with the Cobb County School System. Dan will be looking for a part-time job with plans to continue to serve actively in mission projects. Dan will be returning to Nicaragua in July and possibly several more times this year. Dan and Amanda will continue to partner with Mission Team Inc and be working very actively with churches and other groups as a team leader and trainer for short term mission programs.

Mission Team Inc Teaching at Lost Mountain Baptist

Lost Mountain Baptist is getting ready for its first international mission trip this summer to the Dominican Republic. The team of 22 people will be building a preschool building. They will be working with YWAM Missionary Carol Stephens. The team is very excited and diligently preparing themselves. Scotty Davis began a course to train them on basic mission thought on June 10 and will bring a second training session to the team on July 1.

Katrina Victims Still Need Us

High School students from Burnt Hickory Baptist Student Ministry will be heading to New Orleans July 7-14 to help those who, two years after a disaster, are still trying to get life back to normal. Pray for these young people as they labor with a passion and share the love of Jesus Christ in a real and visible witness.

Prayer Needs for Mission Teams from Local Area

June 30-July 7	Orphanage	Hands and Feet / BHBC	Mexico

August 23-30	Police Training	MTI / MOST Missions	Nicaragua
August 24-31	Medical	Burnt Hickory Baptist	Nicaragua
Sept 28-Oct 3	Revival	Mission Team Inc	Idaho

Thank You for Your Support

Dear Supporter,

I want to express my sincere thanks to all of you who are making the work of Mission Team Inc possible. Since making the commitment to be full-time at this ministry, God has met our needs financially in a way that could only be attributed to His provision. He chooses to use you to partner with us, and I pray that the report of activity each month assures you that your investment in the ministry of Mission Team Inc is being blessed by the Lord. As we cross the middle of the year 2007, we are ahead of gifts from last year and have been able to meet all obligations. We have even been able to help with mission efforts for individuals who were in need of support in several critical areas. I continue to dream about the future and what it holds in the work of short term missions. Teaching and enabling people to engage in missions is what we are all about, and I see that the opportunity is growing exponentially. Your continuing support will enable us to make an impact on churches and groups who need a helping hand to get started in the mission process. If you see or hear of churches or groups who need someone to help with their training or planning, point them toward Mission Team Inc. We also ask for your continuing prayer support for the work of the ministry. Without the hand of God on the ministry, we will dry up very quickly. Your prayers breathe life into everything we undertake to do. God bless you for your prayers and support. With your help the future will see many victories in the name of the Lord Jesus Christ.

Until all the world knows the truth,

Scotty Davis
Mission Team Inc
